

# Client Events Report

It is a report containing all the events regarding a specific client for a given date range. (MME, incidents, checkpoint scans)

You can access the Clients Events Report panel by clicking on the top toolbar “Reports” and “Client Events Report” as shown below:

The screenshot shows the 'Client Events report' interface. It features a top toolbar with various icons and a sidebar with navigation options. The main content area is divided into two panels: 'Sites' on the left and 'Event' on the right. The 'Sites' panel includes a date range selector (1), a client dropdown menu (2), a list of client sites with checkboxes (3), and a 'Refresh' button with 'Export to Excel' and 'Export to PDF' options (4). The 'Event' panel displays a table of events (5).
