

Login / Register

Launching <https://followmystaff.com>, a login screen appears asking for a Username and the Password of the user.

In case you would like to make a Demo use of QR-Patrol system, simply click on the “Free Test” button and you will be immediately logged in the web application as a demo user.

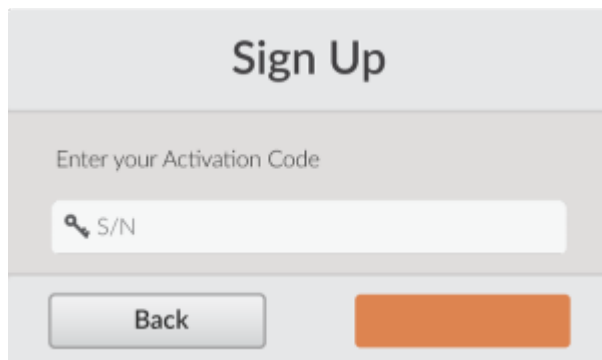

In case you have received an activation code for QR-Patrol activation, click on the “Sign Up” button at the bottom right of the Login screen.

The image shows a login screen with a light gray background. At the top, the word "LOGIN" is centered in a bold, dark gray font. Below this, there are two input fields: the first is labeled "Username" with a person icon, and the second is labeled "Password" with a lock icon. Below the password field is a blue "Login" button. Underneath the login button, there is a checkbox labeled "Remember Me" and a link labeled "Forgot Password?". At the bottom of the screen, there are two buttons: a dark gray "Free Test" button on the left and an orange "Sign Up" button on the right.

On the Sign Up screen, simply type the Serial Activation Code you have received and click on Next button.

The Activation Code will have been sent to you by an automatic e-mail from QR-Patrol a few minutes after you have completed an order of a QR-Patrol monthly or yearly plan on the [online shop](#).

The image shows a sign-up screen with a light gray background. At the top, the words "Sign Up" are centered in a bold, dark gray font. Below this, there is a text prompt "Enter your Activation Code". Underneath the prompt is a white input field with a key icon and the text "S/N". At the bottom of the screen, there are two buttons: a gray "Back" button on the left and an orange "Next" button on the right.

On the next screen, you can create your own account in the QR-Patrol web application.

Fill in the form with all of your data (username, email, company, timezone) and choose a secure password for your login to the system.

After filling in the form, click on “Create Account” and you will be ready to use QR-Patrol application by typing the credentials you just chose.
